Will Preparation Service Available for Employee-Paid Life Insurance

Will Preparation¹ services are available for active employees participating in the Employee Paid Life Insurance Plan offered by The Dow Chemical Company (Dow).

Having an up-to-date will is one of the most important things you can do for your family.

Without a will, your assets may be distributed according to state law and *not* in accordance with your wishes. An up-to-date will establishes important decisions about the distribution of your assets. That's why Will Preparation is such an important benefit for Dow employees. With Will Preparation, you have access to an important service that helps you ensure your family's future should something happen to you.

What is Will Preparation?

Will Preparation is offered by Hyatt Legal Plans¹, a MetLife company, and provides eligible employees and their spouses/domestic partners with access to attorneys participating in Hyatt Legal Plans network for preparing or updating a will, living will and power of attorney. When you choose a participating Hyatt Legal Plans attorney, the attorney's fees are fully covered and there are no claim forms to file. You also have the flexibility of using a non-network attorney and being reimbursed for covered services according to a set fee schedule.²
