Section 2. Introduction

This booklet is Part I of the Summary Plan Description (“SPD”) for the Morton Retiree Dental Program (the “Program”), which is a component of the Rohm and Haas Company Health and Welfare Plan’s Group Health Plan. Part II of this SPD contains the description of the plan benefits under the Program, including under the Morton Comprehensive Dental Option (the “Plan”). Together, Part I and Part II comprise the SPD for the Program.

The Plan is governed by the plan document for the Rohm and Haas Health and Welfare Plan, which is the legal instrument under which the Program is operated. This legal instrument is referred to in this SPD as the “Plan Document.” If there is any inconsistency between this SPD and the Plan Document, the Plan Document shall govern.

This SPD contains important information about benefits under the Program. However, it does not contain all of the information. Further information can be found in the Plan Document. You may request a copy of the Plan Document from the Plan Administrator.

The Dow Chemical Company reserves the right to amend, modify or terminate the Program (and any plan under the Program) at any time, in its sole discretion.

This SPD and the Rohm and Haas Company Health and Welfare Plan do not constitute a contract of employment.

Capitalized words in this SPD are defined either in the Plan Document, in [Section 28. Definitions of Terms](#), or in Part II of this SPD. A pronoun or adjective in the masculine gender includes the feminine gender, and the singular includes the plural, unless the context clearly indicates otherwise. When used in this SPD, “Dow” refers to The Dow Chemical Company.

Section 3. Eligibility

As explained in this section of the SPD, the Program provides coverage for certain Retirees, as well as certain dependents. Survivor eligibility is summarized in [Section 7. Survivor Benefits](#).

3.1 Retiree Eligibility

You are eligible for coverage under the Program if:

- You were not terminated for gross misconduct;
- You retired from Morton International, Inc. (“Morton”) before April 1, 1989;
- You were actively employed by Morton on the date you were at least age 55 and had completed at least 5 years of service when you retired from Morton; and
- You elected coverage under the Program at the time that you retired from Morton.

You are also eligible for coverage under the Program if you are classified as an M400 retiree.

3.2 Dependent Eligibility

Eligible Retirees may enroll their eligible Dependents. A Dependent may be either your Spouse or an eligible Dependent Child. You must be enrolled in order to enroll a Spouse or Dependent Child. If you enroll your Spouse or your Dependent Child, you may be required to provide their Social Security numbers to the Plan.

The Program reserves the right, at any time, to request proof of Dependent eligibility such as birth certificates, passports, marriage certificates, or any other form of proof the Plan Administrator deems appropriate.

Spouse Exclusions

Your Spouse is not eligible for coverage as a Dependent under the Program if you are legally separated or divorced or your marriage has been annulled. Also, your ex-Spouse is not considered an eligible Dependent, even if you have a court order to provide dental insurance.

In addition, your Spouse is not eligible for coverage under the Program if he or she is:

- An Employee, or enrolled for coverage as an Employee or Retiree (or other former Employee) under another Dow (including Rohm and Haas and Morton) or Dow-affiliated dental plan; or
- Serving in the armed forces of any country.

When your Spouse is no longer eligible for coverage because of one of the above events, contact the Retiree Service Center within 90 days.

Dependent Child(ren)

A child is eligible for coverage under the Program if the child meets the definition of “Dependent Child.” Dependent Child is defined in [Section 28. Definitions of Terms](#).

. Your Dependent Child will *not* be eligible for coverage under the Program if he or she:

- *Reaches age 26*. Coverage ends on the child’s 26th birthday. Children age 26 or older are not eligible, unless, prior to age 26, the child is incapable of self-sustaining employment because of a physical or mental disability and is covered under the Plan on the day prior to reaching age 26. The disabled child must be principally dependent upon you for support. Proof of the child’s initial and continuing dependency and disability must be provided to the Plan prior to age 26 in order for coverage to continue. You must make any contribution required by the Plan to continue coverage for your child. Once coverage is terminated, it cannot be reinstated. Contact the Retiree Service Center for more information; or

- *Is covered as a Dependent under a Dow-sponsored (including Rohm and Haas, or Morton) or UCC-sponsored dental plan. All eligible children in a family must be covered by the same parent. (Exceptions may be made as necessary in stepchild situations).*

When your child is no longer eligible for Dependent coverage because of one of the above events, you must make a new enrollment within 90 days of the loss of eligibility. You may qualify for a reduction in your monthly premium. The loss of coverage for your Dependent, however, will occur on the date your Dependent becomes ineligible, whether or not a reduction in your monthly premium occurs. For information about rights your child may have for continuation of coverage under the Program as provided by the federal COBRA law, see [Section 9.2 COBRA Continuation Coverage](#). Note: In order for your Dependent to receive COBRA continuation coverage, you must provide notice that your child is no longer an eligible Dependent within 60 days after your Dependent becomes ineligible.

Qualified Medical Child Support Orders

A child who does not qualify as a “Dependent Child,” above, may still be eligible for coverage if the Retiree has a “qualified medical child support order” for that child. A Qualified Medical Child Support Order (“QMCSO”) is a court order that meets the Program’s requirements to provide a child the right to receive dental coverage offered under the Program. If a QMCSO applies, the child is eligible for coverage as your Dependent, assuming you are eligible for coverage under the Program.

Typically, a divorce decree that orders the Retiree to provide dental coverage for a specific child is a QMCSO, as long as the divorce decree (or document signed by either the Retiree or the custodial parent provided with the divorce decree and consistent with the divorce decree) contains the following information:

- The name and last known mailing address of each child for whom the Retiree must provide dental coverage;
- A reasonable description of the type of coverage to be provided to the child; and
- The period for which the coverage is to be provided (within the Program’s rules).

Note that if there is any ambiguity in, or between, the document(s) signed by the Retiree or custodial parent, the Program reserves the right to require the Retiree and/or custodial parent to obtain a court order to resolve the ambiguity.

You may obtain a free copy of the Program’s QMCSO procedures, which explain how the Program determines whether a court order meets the Program’s requirements, by requesting a copy from the Plan Administrator.

3.3 Eligibility Determinations of Claims Administrator are Final and Binding

The applicable Claims Administrator determines eligibility. The Claims Administrator is a fiduciary of the Program and has the full discretion to interpret provisions of the SPD and the Plan Document and to make findings of fact. However, the Claims Administrator’s determinations are subject to the interpretation of the Plan Document made by the Plan Administrator. Interpretations and eligibility determinations by the Claims Administrator are final and binding on Participants. If you would like the applicable Claims Administrator to determine whether you are eligible for coverage, you can file a Claim for an Eligibility Determination. See [Section 25. Claims Procedures](#).

Section 4. Enrollment

4.1 Levels of Participation

The levels of participation available are:

- Individual Only
- Individual plus Spouse
- Individual plus Child(ren)
- Individual plus Spouse and Child(ren)

You must be enrolled in order to enroll your Spouse or Dependent Child.

4.2 Enrolling at Retirement

Coverage under the Program is limited to individuals who retired before April 1, 1989, enrolled in accordance with the procedures then in effect, and remain enrolled in the Program. See [Section 3.1 Retiree Eligibility](#). Current employees may no longer enroll in the Program at their Retirement.

4.3 Annual Enrollment

Annual enrollment is typically held during the last quarter of the year and is handled electronically. Subject to the eligibility rules, you may enroll for coverage, switch plans, or waive coverage. If you wish to add a Dependent – either a Spouse or an eligible child – during annual enrollment, you must make sure that your coverage level is appropriate when you enroll.

You must provide proof of Dependent eligibility no later than March 31st of the applicable Plan Year. Required documentation may include a marriage certificate, birth certificate, adoption papers or any other proof the Plan Administrator deems appropriate.

If you do not provide proof of Dependent eligibility by March 31st:

1. You will be charged 102% of the full cost of coverage (*i.e.*, without any employer subsidy, if applicable) retroactive to the first day that your Dependent was enrolled in the Program.
2. If you fail to pay 102% of the full cost of coverage by the date determined by the Plan Administrator (whether or not you provide acceptable proof of Dependent eligibility), the Program may cancel coverage for your Dependent retroactive to the first day that your Dependent was enrolled in coverage. If coverage is cancelled retroactively, you will be required to reimburse the Program for claims paid during the coverage period for your Dependent. See [Section 24. Payment of Unauthorized Benefits](#).
3. , for rules that apply if the Plan paid benefits while you and/or your Dependent was not eligible for coverage.
4. If you pay 102% of the full cost of coverage but you do not provide acceptable proof of Dependent eligibility by the date determined by the Plan Administrator, your Dependent's coverage will terminate as of March 31st.
5. If, as of the date determined by the Plan Administrator, you pay 102% of the full cost of coverage and you provide acceptable proof of Dependent eligibility, your Dependent will remain covered under the Plan, as long as you continue to pay 102% of the full cost of coverage for the remainder of the Plan Year.

Additional or alternative actions might be taken on account of your or your Dependent's fraudulent actions or inactions or intentional misrepresentation. See [Section 10. Fraud Against the Program](#).

If your Spouse is enrolled in the Program, you may not dis-enroll your Spouse in anticipation of a divorce. You are required to continue coverage for your Spouse and pay the applicable premium. Under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (COBRA), when your legal separation or divorce is final, your Spouse has a right to continue coverage under the Plan at 102% of the full cost of coverage for a certain period of time. See [Section 9.2 COBRA Continuation Coverage](#) for more information about COBRA coverage.

Default Enrollment

If at annual enrollment you fail to enroll or affirmatively waive coverage under the Program within the time period specified in the annual enrollment brochure, your current dental plan elections will be automatically carried forward for the upcoming Plan Year, assuming you remain eligible for the coverage in which you are enrolled.

4.4 Dual Dow or UCC Coverage

If you and your Spouse are each independently eligible for coverage under a Dow-sponsored (which includes heritage Rohm and Haas and Morton) or Union Carbide-sponsored medical plan, the following rules apply:

- You may each enroll separately, or one of you may enroll the other as a Dependent; except that an Employee may not be enrolled as a Dependent in a retiree medical or dental plan.
- If you each enroll separately, either of you – but not both – may enroll your eligible Dependent Children. (This rule also applies to divorced parents who are independently eligible for coverage.)
- If you each enroll separately, your deductibles and out-of-pocket maximums will be calculated separately. (This rule also applies to divorced parents who are independently eligible for coverage.)

Section 5. Mid-Year Election Changes

You may **drop** a Dependent from coverage or waive coverage for yourself at any time, except in anticipation of a divorce (as required by the COBRA rules).

Otherwise, you may change your dental coverage level (e.g., enroll yourself or **add** a Dependent) mid-year only if you have a special enrollment event or a “change in status” AND you meet all of the consistency rules.

This section of the SPD describes special enrollment events, the definition of “change in status” and the consistency rules, and exceptions to these rules, as well as the documentation required and deadlines for making a mid-year election change.

5.1 Special Enrollment Provisions

You may be eligible to enroll in the Program outside of annual enrollment if one of the following special enrollment events occurs:

- **Loss of Other Dental Coverage.** If you decline enrollment in the Program for you or your Dependent(s) (including your Spouse) because you have other dental insurance coverage, you may in the future enroll yourself or your eligible Dependent(s) outside of the usual annual enrollment period if you or your Dependent lose eligibility for the other coverage or the other employer ceases to make employer contributions for the other coverage. In order to have coverage under the Program, you or your eligible Dependent must enroll in the Dow-sponsored coverage within 90 days after the other coverage ends. However, if you or your Dependent

declined Dow-sponsored coverage because of other coverage provided through COBRA, you or your Dependent must wait until the annual enrollment period unless the entire period of coverage available under the COBRA coverage has been exhausted. An individual need not elect COBRA coverage under another health plan in order to use these special enrollment provisions.

- **Marriage, Birth, or Adoption.** If you have a new Dependent Child as a result of marriage, birth, adoption, or placement for adoption, you may receive coverage under the Program for yourself and your new Dependent Child if you enroll in the Program within 90 days after the marriage, birth, adoption, or placement for adoption.
- **Loss of Medicaid or SCHIP.** If you or your Dependent either (i) loses coverage under Medicaid or a State Child Health Insurance Plan (“SCHIP”), or (ii) becomes eligible for premium assistance under the Program through Medicaid or SCHIP, you may receive coverage for yourself and your Dependent if you enroll within 90 days.

In order to enroll in the Program because of a special enrollment event described above, you must provide proof of the event in accordance with [Section 5.5 Documentation of Eligibility Required to Make Election Change](#) and enroll by the deadline described in [Section 5.6 Deadline to Enroll for Mid-Year Changes](#). Your enrollment will be effective as of the date described in [Section 5.6 Deadline to Enroll for Mid-Year Changes](#).

5.2 Change in Status

A “change in status” is an event listed in one of the bullets below:

- Divorce, annulment, or death of your Spouse.
- Your marriage.
- Birth, adoption or placement for adoption, or death of your Dependent Child.
- A termination or commencement of employment for you or your Spouse or Dependent Child.
- A reduction or increase in hours of employment for you or your Spouse or Dependent Child.
- A change in the place of residence or work of you or your Spouse or Dependent Child.
- Your Dependent satisfies or ceases to satisfy the definition for “Dependent Child.”
- Your Spouse or Dependent Child gains eligibility for coverage under his or her employer’s health plan.

5.3 Consistency Rule

In addition to having a “change in status”, you also must meet both of the following consistency rules.

1. The change in status must **result** in you, your Spouse, or your Dependent Child **gaining or losing** eligibility for coverage under either the Program or the parallel plan of your Spouse’s or Dependent Child’s employer.
2. The election change to the Program must **correspond with** that gain or loss of coverage.

5.4 Exceptions to the Change in Status and Consistency Rules

You may also change your dental coverage levels mid-year without having met the change in status and consistency rule requirements under the following circumstances:

- **Court Orders** – You may change your election mid-year if a court order resulting from a divorce, annulment, or change in legal custody (including a Qualified Medical Child Support Order), requires a change in your dental plan election.
- **Significant Cost or Coverage Changes** – If your Spouse is covered by his or her employer’s plan, which allows him or her to change his or her benefit plan election because of a significant change in cost or coverage under the employer’s plan, such change in election may allow you to change your Program election. If your Spouse’s employer’s enrollment period is different from the Company’s, your Spouse’s election under his or her employer’s plan may constitute a significant coverage change allowing you to change your Program election.

5.5 Documentation of Eligibility Required to Make Election Changes

Documentation is required to show proof of eligibility to make an election change and/or to show proof of Dependent eligibility. Required documentation may include birth certificates, passports, marriage certificates, Social Security numbers, evidence of loss of Spouse’s or Dependent child’s employment, or any other form of proof the Plan Administrator deems appropriate. The Program reserves the right to, at any time, request proof of eligibility.

In general, you are required to provide proof of eligibility to make an election change and/or proof of Dependent eligibility by day 90 after the change in status or special enrollment event. If you do not provide such proof within 90 days after the change in status or special enrollment event:

1. You will be charged 102% of the full cost of coverage (*i.e.*, without any employer subsidy, if applicable) retroactive to the first day that you and/or your Dependent was enrolled in the Plan.
2. If you fail to pay 102% of the full cost of coverage by the date determined by the Plan Administrator (whether or not you provide acceptable proof of Dependent eligibility), the Program may cancel coverage for you and/or your Dependent retroactive to the first day that you and/or your Dependent was enrolled in coverage. If coverage is cancelled retroactively, you will be required to reimburse the Plan for claims paid during the coverage period for you and/or your Dependent. See [Section 24. Payment of Unauthorized Benefits](#), for rules that apply if the Plan paid benefits while you and/or your Dependent was not eligible for coverage.
3. If you pay 102% of the full cost of coverage but you do not provide acceptable proof of eligibility by the date determined by the Plan Administrator, coverage will terminate as of the 90th day after your change in status or special enrollment event.
4. If, by the date determined by the Plan Administrator, you pay 102% of the full cost of coverage and you provide acceptable proof of eligibility, you and/or your Dependent will remain covered under the Plan, as long as you continue to pay 102% of the full cost of coverage for the remainder of the Plan Year.

Additional or alternative actions might be taken on account of your or your Dependent’s fraudulent actions or inactions or intentional misrepresentation. See [Section 10. Fraud Against the Program](#).

Dropping a Dependent

You may drop a Dependent at any time (except in anticipation of a divorce, as required by the COBRA rules) by updating your enrollment information on the Dow Benefits web site or notifying the Retiree Service Center.

As explained in [Section 3.2 Dependent Eligibility](#), if you or your Dependent is no longer eligible for coverage, you must update your enrollment information on the Dow Benefits web site or notify the Retiree Service Center; otherwise, you will continue to be obligated to pay premiums until the date the

Retiree Service Center processes your updated enrollment information, coverage may be dropped retroactively, and you may be required to reimburse the Plan for any dental benefits it already paid.

5.6 Deadline to Enroll for Mid-Year Changes

For any change made at any time outside of annual enrollment (typically in the Fall of each year), you must submit the required proof of eligibility and request enrollment within 90 days of the change in status or special enrollment event in order to avoid being charged 102% of the full cost of coverage.

The effective date of a mid-year election change will be as follows:

- For the birth of a child, the date of birth.
- For the adoption of a child, the earlier of the date of adoption or date of placement for adoption.
- For a court order, the date specified in the court order.
- In all other cases:
 - If the Plan Administrator receives your enrollment request within 31 days of the change in status or special enrollment event, the effective date of the mid-year election change will be the date of the event.
 - If the Plan Administrator receives your enrollment request on day 32 through 90 after the change in status or special enrollment event, the effective date of the mid-year election change will be the Plan Administrator's processing date.

Section 6. Premiums

The premium is the cost associated with Program coverage. The Company currently pays this expense. The portion that the Company pays toward the premium is separate from any benefits payable under the Program.

Section 7. Survivor Benefits

7.1 Surviving Spouse of a Deceased Retiree

In general, a Surviving Spouse of a deceased Retiree is eligible to continue coverage under the Program. Such a Surviving Spouse does not need to be enrolled at the time of death to be eligible.

7.2 Remarriage of a Surviving Spouse

If a Surviving Spouse marries or enters into a domestic partnership, he or she is no longer eligible for coverage under the Program.

7.3 Surviving Children

Subject to the Dependent eligibility requirements, your surviving children, including biological children *in utero* may be covered under the Program if either:

- Your Surviving Spouse is enrolled for coverage under the Program, and, if your Surviving Spouse works full-time or is retired, he or she enrolls the surviving children in any employer-sponsored dental coverage if for which they are eligible (including from a former employer).
- There is no Surviving Spouse and your surviving children were eligible for coverage at the time of your death.

Section 8. Notices

The following notices are prescribed under the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and other federal legislation.

Certificates of Coverage

When your Program coverage ends, Dow will mail you a certificate of coverage stating the dates you were covered under the Program and the type of coverage you had. If you enroll for dental coverage under another employer-sponsored health plan that includes a waiting period, your new employer is required under the Health Insurance Portability and Accountability Act to credit your Program coverage towards the waiting period. If you elect to continue Program coverage under COBRA, when your COBRA coverage ends, you will receive another certificate of coverage from Dow. In addition, if you would like another certificate of coverage, you can request one at any time within the 24-month period after your Dow-sponsored (including Rohm and Haas, or Morton) coverage ceases by writing to the Retiree Service Center, The Dow Chemical Company, Employee Development Center, Midland, Michigan, 48674.

You are required to inform Dow of any change in your Dependent's eligibility status as soon as possible, and no later than during the annual enrollment period. Dow will provide a certificate of coverage for your covered Dependents upon request. If Dow knows that coverage for your covered Dependent has terminated, it will provide a certificate of coverage for your covered Dependents.

Information Exchanged by the Program's Business Associates

Dow and the Plan Administrator have contracted with business associates for various services. Claims information concerning Participants and Participant-identifying information such as Social Security numbers may be transferred or shared among the various business associates. The Company may use aggregate data and summary health information, as defined by the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), to evaluate Program design changes and premium sharing ratios. The Program's business associates have or will have entered into a contract with Dow and/or the Plan Administrator to protect individually identifiable health information in accordance with HIPAA. See [Appendix A: Notice of Privacy Practices](#).

Section 9. Ending Coverage

9.1 When Coverage Ends

Coverage ends when any of the following occurs:

- The Participant no longer meets the eligibility requirements
- The Participant elects not to participate for the Plan Year
- The Participant's Death
- Termination of the Rohm and Haas Company Health and Welfare Plan, its Group Health Plan, or the Program
- Failure to pay the required premiums
- Failure to reimburse the Program for claims paid by it that under the terms of the Program, you or your Dependent are required to reimburse the Program
- Failure to comply with the terms and conditions of the Program or the Plan

- Providing false or misleading information to the Program or the Plan

When your Dependent is no longer eligible, or dies, update your enrollment information on the Dow Benefits web site or by contacting the Retiree Service Center within 90 days of the loss of eligibility. The loss of coverage for your Dependent, however, will occur on the date your Dependent becomes ineligible. Generally, your Dependent's coverage under the Plan will terminate when your coverage terminates unless your Dependent:

- elects COBRA (See [9.2 COBRA Continuation Coverage](#));
- is eligible to participate after your death in accordance with [Section 7. Survivor Benefits](#).

9.2 COBRA Continuation Coverage

COBRA continuation coverage is a temporary extension of coverage under the Program. The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage may become available to you and to other members of your family who are covered under the Program when you or they would otherwise lose group health coverage.

This section of the SPD generally explains COBRA continuation coverage, when it may become available to you and what you need to do to protect the right to receive it. For additional information about your rights and obligations under the Program and under federal law, you may contact the Plan Administrator or the COBRA Administrator.

One of the Plan Administrators of the Program is North America Health and Welfare Plans Leader:

What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of coverage under the Program when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your Spouse, and your Dependent Child(ren) could become qualified beneficiaries if coverage under the Program is lost because of the qualifying event. Under the Program, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

There may be other coverage options for you and your family and some of these options may cost less than COBRA continuation coverage. You could be eligible to buy coverage through the Health Insurance Marketplace and for a tax credit that lowers your monthly premiums. You should be able to see what your premium, deductibles, and out-of-pocket costs will be for coverage purchased through the Marketplace before you enroll. Being eligible for COBRA does not limit your eligibility for coverage for a tax credit through the Marketplace (but enrolling in COBRA may affect your eligibility for a tax credit).

Additionally, you may qualify for a special enrollment opportunity for another group health plan for which you are eligible (such as a spouse's plan), even if the plan generally does not accept late enrollees, if you request enrollment within 30 days after the qualifying event.

If you are the Spouse of a Retiree, you become a qualified beneficiary if you lose your coverage under the Program because of any of the following qualifying events:

1. Your Spouse dies;
2. Your Spouse becomes enrolled in Medicare (Part A, Part B, or both); or
3. You become divorced or legally separated from your Spouse.

Your Dependent Child(ren) will become qualified beneficiaries if they lose coverage under the Program because of any of the following qualifying events:

1. The parent-Retiree dies;
2. The parent-Retiree enrolls in Medicare (Part A, Part B, or both);
3. The parents become divorced or legally separated; or
4. The child stops being eligible for coverage under the Program as a "Dependent Child."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to the Company, and that bankruptcy results in you losing coverage, you are a qualified beneficiary with respect to the bankruptcy. Your Spouse, Surviving Spouse, and Dependent Children will also be qualified beneficiaries if bankruptcy results in the loss of their coverage under the Program.

When is COBRA Coverage Available?

The Program will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been timely notified that a qualifying event has occurred. When the qualifying event is your death, commencement of a proceeding in bankruptcy, or your enrollment in Medicare (Part A, Part B, or both), the employer must notify the COBRA Administrator of the qualifying event within 30 days of any of these events.

IMPORTANT: You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation or a Dependent Child's losing eligibility for coverage as a Dependent Child), **you must notify the Plan Administrator within 60 days after the qualifying event occurs.** Except for divorce, you may provide this notice by calling the Plan Administrator at the telephone number provided above. In addition, you must complete and submit the forms described below within the time required. Written notice is required if the qualifying event is divorce. If you are providing written notice, you must send this notice to the Plan Administrator at the address above. In addition, if the qualifying event is divorce, you must provide the following to the Plan Administrator within 60 days of the qualifying event:

- A copy of the page of the divorce decree that specifies the names of the parties of the divorce
- A copy of the page of the divorce decree that shows the judge's signature and the effective date of the divorce.
- Former Spouse's mailing address
- Former Spouse's Social Security number

If the qualifying event is a Dependent Child's loss of eligibility for coverage under a Plan, you must complete a Change in Status form that may be obtained from the Dow Benefits web site or by requesting

one from the Retiree Service Center. In addition, you must complete a Dependent Qualifying Event letter, which may be obtained by requesting one from the Plan Administrator. You must return these forms to the Plan Administrator within 60 days of the Dependent losing eligibility for coverage.

If these procedures are not followed or if the notice is not provided to the Plan Administrator within the time required, any Spouse or Dependent Child who loses coverage will NOT BE OFFERED THE OPTION TO ELECT CONTINUATION COVERAGE.

How is COBRA Coverage Provided?

Once the Plan Administrator receives timely notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. For example, both you and your Spouse may elect continuation coverage, or only one of you. You may elect COBRA continuation coverage on behalf of your Spouse, and parents may elect COBRA continuation coverage on behalf of their children.

To elect COBRA continuation coverage, a qualified beneficiary must complete the COBRA Administrator's election form. The completed election form must be provided to the COBRA Administrator within 60 days of being provided a COBRA election notice, at the address provided on the election form and following the procedures specified on the form. If the election form is mailed, it must be postmarked no later than the last day of the 60-day election period. If a qualified beneficiary does not elect continuation coverage within this 60 day election period, the qualified beneficiary WILL LOSE HIS OR HER RIGHT TO ELECT CONTINUATION COVERAGE.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is your death, your enrollment in Medicare (Part A, Part B, or both), your divorce or legal separation, or your Dependent Child losing eligibility as a Dependent Child, COBRA continuation coverage may continue for up to 36 months.

Can COBRA Continuation Coverage Terminate Before the End of the Maximum Coverage Period?

Continuation coverage terminates before the end of the maximum period if (1) any required premium is not paid on time; (2) after electing COBRA coverage, a qualified beneficiary becomes covered under another group health plan that does not impose any preexisting condition exclusion for a preexisting condition of the qualified beneficiary (note: there are limitations on plans' imposing a preexisting condition exclusion and such exclusions will become prohibited beginning in 2014 under the Patient Protection and Affordable Care Act); (3) after electing COBRA coverage, a qualified beneficiary enrolls in Medicare; or (4) the employer ceases to provide any group health plan for its employees or retirees. Continuation coverage may also be terminated for any reason the Program would terminate coverage of a participant or beneficiary not receiving continuation coverage (such as fraud).

You must notify the Plan Administrator in writing within 30 days if, after electing COBRA coverage, a qualified beneficiary becomes covered under another group health plan or enrolls in Medicare Part A or B (or both). The Program reserves the right to retroactively cancel COBRA coverage and in that case will require reimbursement of all benefits paid after the date of commencement of other group health plan coverage or Medicare entitlement.

How Much Does COBRA Continuation Coverage Cost?

Generally, each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount a qualified beneficiary may be required to pay may not exceed 102% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly-situated plan participant or beneficiary who is not receiving continuation coverage.

First Payment of Continuation Coverage

If you elect continuation coverage, you do not have to send any payment for continuation coverage with the election form that you receive from the COBRA Administrator. However, you must make your first payment within 45 days after the date of your election. (This is the date the election notice is post-marked, if mailed.) ***If you do not make your first payment for continuation coverage within those 45 days, you will lose all continuation coverage rights of the Program.***

Your first payment must cover the cost of continuation coverage from the time your coverage under the Program would have otherwise terminated up to through the month before the month in which you make your first payment. You are responsible for making sure that the amount of your first payment is enough to cover this entire period. You may contact the COBRA Administrator to confirm the correct amount of your first payment.

Your first payment for continuation coverage should be sent to the address indicated on the election notice provided at the time of your COBRA qualifying event.

Periodic Payments for Continuation Coverage

After you make your first payment for continuation coverage, you will be required to pay for continuation coverage for each subsequent month of coverage. Under the Program, these periodic payments for continuation coverage are due on the date indicated on your payment coupons from the COBRA Administrator. If you make a period payment on or before its due date, your coverage under the Program will continue for that coverage period without any break. You must make your payment by the due date or within the grace period (discussed below).

Periodic payments for continuation coverage should be sent to the address indicated on the election notice provided at the time of your COBRA qualifying event.

Grace Periods for Periodic Payments

Although periodic payments are due on the dates shown above, you will be given a grace period of 30 days to make each periodic payment. Your continuation coverage will be provided for each coverage period so long as payment for that coverage period is made before the end of the grace period for that payment. If you fail to make a periodic payment before the end of the grace period for that payment, you will lose all rights to continuation coverage under the Program.

More Information About Individuals Who May Be Qualified Beneficiaries

Children Born To or Placed for Adoption with the Covered Retiree during COBRA Period

A child born to, adopted by or placed for adoption with you when you are receiving continuation coverage is considered to be a qualified beneficiary if you are a qualified beneficiary and you have elected continuation coverage for yourself. The child's COBRA coverage begins when the child is enrolled in the Plan, whether through special enrollment or annual enrollment, and it lasts for as long as COBRA coverage lasts for your family members. To be enrolled in the Plan, the child must satisfy the otherwise applicable Program eligibility requirements (for example, regarding age).

Alternate Recipients under QMCSOs

A child who is receiving benefits under a Program pursuant to a Qualified Medical Child Support Order (QMCSO) received by the Plan Administrator during your period of employment with the employer is entitled to the same rights under COBRA as a Dependent Child, regardless of whether that child would otherwise be considered a Dependent.

If You Have Questions

Questions about the Program or your COBRA continuation coverage rights should be addressed to the Plan Administrator or the COBRA Administrator. For information about your rights under ERISA, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, visit the U.S. Department of Labor's Employee Benefits Security Administration ("EBSA") website at www.dol.gov/ebsa or call their toll-free number at 1-888-444-3272. For more information about health insurance options available through a Health Insurance Marketplace, visit <http://www.healthcare.gov>.

Keep the Program Informed of Address Changes

In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Section 10. Fraud Against the Program

If you intentionally misrepresent information to the Program or Plan, knowingly withhold relevant information from the Program or Plan, or deceive or mislead the Program or Plan, the Plan Administrator may (1) terminate your participation in the Program, either retroactively to the date deemed appropriate by the Plan Administrator, or prospectively; (2) require you to reimburse the Program for amounts it paid, including all costs of collection such as attorneys' fees and court costs; and/or (3) prohibit you from enrolling in the Program. In addition, Dow may pursue civil and/or criminal action against you, or take other legal action. If you or your Dependent(s) are terminated from eligibility under any benefit plan sponsored by Dow, Rohm and Haas, or any of their subsidiaries or affiliates because of a violation of a similar section of that benefit plan, the Plan Administrator may determine that you and your Dependent(s) are not eligible for coverage under the Program or the Rohm and Haas Company Health and Welfare Plan.

Section 11. Subrogation

As used in this Section 11, these terms have the following meaning:

- "Covered Person" means a Participant (including a Retiree) or a Dependent, the parents and legal guardians of a Participant or Dependent who is a minor, and the heirs, administrators, and executors of a Participant's or Dependent's estate.
- "Responsible Party" means any party actually, possibly, or potentially responsible for making any payment to a Covered Person due to a Covered Person's injury, illness or condition, without regard to whether such party caused the illness, injury, or condition. The term "Responsible Party" includes the liability insurer of such party, any Insurance Coverage, and any employer, agent, or principal of such party.
- "Insurance Coverage" refers to any coverage providing medical or dental expense coverage or liability coverage including, but not limited to, uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, medical payments coverage, workers compensation coverage, no-fault automobile insurance coverage or any first party insurance coverage.

11.1 The Program's Entitlement to Reimbursement

Subrogation. Immediately upon paying or providing any benefit under this Program, the Program shall be subrogated (stand in the place of) all rights of recovery a Covered Person has against any Responsible

Party with respect to any payment made by the Responsible Party to the Covered Person due to the Covered Person's injury, illness or condition to the full extent of benefit provided or to be provided by the Program.

Reimbursement. If a Covered Person receives any payment from a Responsible Party as a result of an injury, illness or condition, the Program has the right to recover from, and be reimbursed by, the Covered Person for all amounts the Program has paid and will pay as a result of that injury, illness or condition (including attorneys' fees and other costs incurred in enforcing the Program's rights), up to and including the full amount the Covered Person receives from any Responsible Party.

Constructive Trust. By accepting benefits (whether the payment of such benefits is made to the Covered Person or made on behalf of the Covered Person to any provider) from the Program, the Covered Person agrees that if he/she receives any payment from any Responsible Party as a result of an injury, illness or condition, he/she will serve as a constructive trustee over the funds that constitute such payment. Failure to hold such funds in trust will be deemed a breach of the Covered Person's fiduciary duty to the Program, and the Program may pursue equitable remedies to recover the monies or withhold future benefits until reimbursement is made.

Lien Rights. The Program will automatically have a lien to the extent of benefits paid by the Program for the treatment of the illness, injury or condition for which the Responsible Party is alleged to be liable. The lien shall be imposed upon any recovery whether by settlement, judgment or otherwise related to any illness, injury or condition for which the Program paid benefits. The lien may be enforced against any party who possesses funds or proceeds representing the amount of benefits paid by the Program including, but not limited to, the Covered Person; the Covered Person's representative or agent; the Responsible Party, the Responsible Party's insurer, representative or agent; and/or any other source possessing funds representing the amount of benefits paid by the Program.

First-Priority Claim. By accepting benefits (whether the payment of such benefits is made to the Covered Person or made on behalf of the Covered Person to any provider) from the Program, the Covered Person acknowledges that the Program's recovery rights are a first priority claim against all Third Parties and are to be paid to the Program before any other claim for the Covered Person's damages (including before attorneys' fees and other expenses). The Program is entitled to full reimbursement on a first-dollar basis from any Responsible Party Payments, *even if such payment to the Program will result in a recovery to the Covered Person that is insufficient to make him or her whole (i.e., the "make whole" doctrine will not apply).*

Applicability to All Settlements and Judgments. The Program is entitled to full recovery regardless of whether any liability for payment is admitted by the Responsible Party and regardless of whether the settlement or judgment received by the Covered Person identifies the medical or dental benefits the Program provided or purports to allocate any portion of such settlement or judgment to payment of expenses other than medical or dental expenses. The Program is entitled to recover from any and all settlements or judgments, even those designated as pain and suffering, non-economic damages and/or general damages only (i.e., the "common fund" doctrine will not apply).

Program Not Required to Pay Court Costs or Attorneys' Fees. The Program is not required to participate in or pay court costs or attorneys' fees to any attorney hired by the Covered Person to pursue the Covered Person's damage claim. Should it be necessary for the Program to institute legal action against a Covered Person (or assignee) for failure to reimburse the Program in full, or for failure to honor the Program's equitable interest in the amount recovered from a Responsible Party, the Covered Person shall be liable for all costs of collection, including reasonable attorneys' fees.

11.2 Your Responsibilities

The Covered Person is required to fully cooperate with the Program's efforts to recover its benefits paid. It is the duty of the Covered Person to notify the Claims Administrator within 30 days of the date when

any notice is given to any party, including an insurance company or attorney, of the Covered Person's intention to pursue or investigate a claim to recover damages or obtain compensation due to injury, illness or condition sustained by the Covered Person. The Covered Person and his/her agents shall provide all information requested by the Program, the Claims Administrator or its representative including, but not limited to, completing and submitting any applications or other forms or statements as the Program may reasonably request. The rights described in this Section 11 are assigned to the Program without the need for a separate written agreement. However, the Covered Person is required to execute and deliver to the Program an assignment and other instruments that may be used to facilitate securing the rights of the Program. The Covered Person shall do nothing to prejudice the Program's subrogation or recovery interest or to prejudice the Program's ability to enforce the terms of the Program's provisions. This includes, but is not limited to, refraining from making any settlement or recovery that attempts to reduce or exclude the full cost of all benefits provided by the Program.

The Program may withhold future benefits or terminate the Participant *and* the Covered Person from the Program if the Covered Person does not fully cooperate with the Program's efforts to recover the benefits paid by the Program. In addition, if the Participant or the Covered Person is terminated from eligibility under *any* benefit plan sponsored by The Dow Chemical Company or any of its subsidiaries or affiliates because of failure to reimburse that benefit plan, the Plan Administrator may determine that the Participant and/or the Covered Person are disqualified from eligibility for coverage under the Program.

The Covered Person acknowledges by accepting benefits from the Program that the Program has the right to conduct an investigation regarding the injury, illness or condition in order to identify any Responsible Party. The Program reserves the right to notify a Responsible Party and his/her agents of its lien. Agents include, but are not limited to, insurance companies and attorneys.

The Covered Person's obligation to reimburse the Program is limited to the amount of medical or dental benefits the Program has paid, or will pay, to the Covered Person as a result of the injury, illness, or condition sustained. However, if the Program must institute a legal action because a Covered Person fails to reimburse the Program in full or to honor the Program's equitable interest in any recovery, the Covered person will be liable for all costs of collection, including reasonable attorneys' fees.

If the Program has overpaid you, either due to Claim payment error or third-party reimbursement, any overpayments made to you may be offset by the Program in future Claims you file.

11.3 Jurisdiction

For purposes of this Section 11, by accepting benefits (whether the payment of such benefits is made to the Covered Person or made on behalf of the Covered Person to any provider) from the Program, the Covered Person agrees that any court proceeding with respect to this provision may be brought in any court of competent jurisdiction as the Program may elect. By accepting such benefits, the Covered Person hereby submits to each such jurisdiction, waiving whatever rights may correspond to him/her by reason of his/her present or future domicile.

Section 12. Your Legal Rights Under ERISA

As a Participant in the Program, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). This law requires that all Program Participants must be able to:

- Examine, without charge, at the Plan Administrator's office and at other specified locations (such as worksites and union halls), all documents governing the Program, including collective bargaining agreements (if applicable), the Plan Document, and the latest annual report filed with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

- Obtain, upon written request to the Plan Administrator, copies of all documents governing the operation of the Program, including collective bargaining agreements (if applicable), and copies of the latest annual report, the Plan Document, and updated Summary Plan Description. The Plan Administrator may charge a reasonable fee for the copies.
- Continue health care coverage for yourself, Spouse or eligible Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents must pay for such coverage. For more information, see [Section 9.2 COBRA Continuation Coverage](#).

In addition to creating rights for you and all other Program Participants, ERISA imposes duties on the people who are responsible for operating an employee benefit plan. The people who operate the Program, called “fiduciaries,” have a duty to act prudently and in the interest of you and other Participants and beneficiaries.

No one, including your employer, your union (if applicable), or any other person, may discharge you, or otherwise discriminate against you in any way, for pursuing a welfare benefit or for exercising your rights under ERISA.

Enforce your rights: If you have a Claim for Plan Benefits that is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the legal rights described above. For instance, if you request materials from the Program and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a Claim for Plan Benefits which is denied or ignored, you may file suit in a state or federal court. If it should happen that Program fiduciaries misuse the Program’s money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your Claim is frivolous. In addition, if you disagree with the Program’s decision or lack thereof concerning the qualified status of a medical child support order, you may file suit in Federal court. For more information regarding enforcing your rights in court, see [Section 17. Litigation and Class Action Lawsuits](#).

Assistance with your questions: If you have any questions about the information in this SPD or an eligibility for coverage question, you should contact the Plan Administrator. If you have a question about the benefits covered, or the terms and conditions for receiving benefits, network providers, etc., you should contact Aetna. For the contact information for the Plan Administrator and for Aetna, see [Section 1. ERISA Information](#). If you have any questions about this statement or about your rights under ERISA, you should contact the nearest Office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, NW, Washington, D.C. 20210. You also may obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration at (866) 444-3272.

Section 13. Plan Administrator’s Discretion

The Plan Administrators are the Vice President, Human Resources Center of Expertise; Global Benefits Director; Associate Director of North America Benefits; and North America Health and Welfare Plans Leader. The Company may also appoint other persons, groups of persons, or entities as named fiduciaries

of the Plan. The Plan Administrator, Claims Administrators, and other Plan fiduciaries, each acting individually, have the sole and absolute discretion to interpret the Plan Document (including this SPD), make determinations, make findings of fact, and adopt rules and procedures applicable to matters they are authorized to decide. Such interpretations and determinations are conclusive and binding on all persons claiming benefits under, or otherwise having an interest in, the Plan, and if challenged in court, such interpretations and determinations shall not be overturned unless proven to be arbitrary or capricious. For a detailed description of the Plan Administrator's and Claims Administrators' authority, see the Plan Document and [Section 25. Claims Procedures](#).

Section 14. Plan Document

The Program will be administered in accordance with its terms. If the VPHR determines that the Plan Document has a drafting error (sometimes called a "scrivener's error"), the Plan Document will be applied and interpreted without regard to that error. The determination of whether there is a scrivener's error, and how to apply and interpret the Plan in the event of a scrivener's error, will be made by the VPHR, in the exercise of his best judgment and sole discretion, based on his understanding of Dow's intent in establishing the Plan and taking into account all evidence (written and oral) that he deems appropriate or helpful.

Section 15. No Government Guarantee of Welfare Benefits

Welfare benefits, such as the benefits provided by the Program and the Plan, are not required to be guaranteed by a government agency.

Section 16. Dow's Right to Terminate or Amend the Program

The Dow Chemical Company reserves the right to amend, modify or terminate the Program and any or all of the Plans (including amending the Plan Document and the SPDs), at any time, for any reason, in its sole discretion with or without notice, retroactively or prospectively, to the full extent permitted by law. The procedures for amending, modifying and terminating the Program and Plans are set forth in the Plan Document.

If the Company terminates a Plan, the assets of the Plan, if any, may be used to:

- provide benefits under the Plan and pay the expenses of administering the Plan; or
- provide cash for Participants in accordance with applicable law.

Section 17. Litigation and Class Action Lawsuits

17.1 Litigation

If you wish to file a lawsuit against the Rohm and Haas Company Health and Welfare Plan, the Program or Plan (a) to recover benefits you believe are due to you under the terms of the Program or any law; (b) to clarify your right to future benefits under the Program; (c) to enforce your rights under the Program; or (d) to seek a remedy, ruling or judgment of any kind against the Program or the Program fiduciaries or parties-in-interest (within the meaning of ERISA) that relates to the Program, you may not file a lawsuit until you have exhausted the claims procedures described in [Section 25. Claims Procedures](#) and you must file the suit within the Applicable Limitations Period or your suit will be time-barred. However, neither this paragraph nor the Applicable Limitations Period applies to a claim governed by section 413 of

ERISA. (A lawsuit against the Plan is considered a lawsuit against the Program of which the Plan is a part, for purposes of this SPD.)

The Applicable Limitations Period is the period ending one year after:

1. in the case of a claim or action to recover benefits allegedly due to you under the terms of the Program or to clarify your right to future benefits under the terms of the Program, the earliest of: (a) the date the first benefit payment was actually made, (b) the date the first benefit payment was allegedly due, or (c) the date the Program first repudiated its alleged obligation to provide such benefits;
2. in the case of a claim or action to enforce an alleged right under the Program (other than a claim or other action for benefits), the date the Program first denied your request to exercise such right; or
3. in the case of any other claim or action, the earliest date on which you knew or should have known of the material facts on which the claim or action is based, regardless of whether you were aware of the legal theory underlying the claim or action.

If a lawsuit is filed on behalf of more than one individual, the Applicable Limitations Period applies separately with respect to each individual.

A Claim for Plan Benefits or an appeal of a complete or partial denial of a Claim, as described in the claims and appeals sections, generally falls under (1) above. Please note, however, that if you have a timely Claim pending before the Initial Claims Reviewer or a timely appeal pending before the Appeals Administrator when the Applicable Limitations Period would otherwise expire, the Applicable Limitations Period will be extended to the date that is 180 calendar days after the Appeals Administrator renders its final decision.

The Applicable Limitations Period replaces and supersedes any limitations period that ends at a later time that otherwise might be deemed applicable under any state or federal law. The Applicable Limitations Period does not extend any limitations period under state or federal law. The VPHR may, in his discretion, extend the Applicable Limitations Period upon a showing of exceptional circumstances, but such an extension is at the sole discretion of the VPHR and is not subject to review.

17.2 Class Action Lawsuits

Legal actions against the Program, Plan, or Rohm and Haas Company Health and Welfare Plan must be filed in U.S. federal court. Class action lawsuits must be filed in either (1) the jurisdiction in which the Program is principally administered (currently the Northern Division of the United States District Court for the Eastern District of Michigan) or (2) the jurisdiction in the United States of America where the largest number of putative members of the class action reside (or, if that jurisdiction cannot be determined, the jurisdiction in which the largest number of class members is reasonably believed to reside).

If any putative class action is filed in a jurisdiction other than one of those described above, or if any non-class action filed in such a jurisdiction is subsequently amended or altered to include class action allegations, then the Program, all parties to such action that are related to the Program (such as a plan fiduciary, administrator or party in interest), and all alleged Participants must take all necessary steps to have the action removed to, transferred to, or re-filed in one of the jurisdictions described above.

This forum selection provision is waived if no party invokes it within 120 days of the filing of a putative class action or the assertion of class action allegations.

This provision does not waive the requirement to exhaust administrative remedies before initiating litigation.

Section 18. Incompetent and Deceased Participants

If the Administrator determines that you or your Dependent is not physically or mentally capable of receiving or acknowledging receipt of benefits under the Plan, the Administrator may make benefit payments to the court-appointed legal guardian for you or your Dependent, to an individual who has become the legal guardian for you or your Dependent by operation of state law, or to another individual whom the Administrator determines is the appropriate person to receive such benefits on behalf of you or your Dependent.

Payments due to deceased Participants from claims made under a Plan shall be made to the Participant's estate.

Section 19. Privilege

If the Company or a Participating Employer (or a person or entity acting on behalf of the Company or a Participating Employer) or an Administrator or other Plan fiduciary (an "Advisee") engages attorneys, accountants, actuaries, consultants, and other service providers (an "Advisor") to advise them on issues related to the Plan or the Advisee's responsibilities under the Plan:

- the Advisor's client is the Advisee and not any Retiree, Participant, Dependent, beneficiary, claimant, or other person;
- the Advisee shall be entitled to preserve the attorney-client privilege and any other privilege accorded to communications with the Advisor, and all other rights to maintain confidentiality, to the full extent permitted by law; and
- no Retiree, Participant, Dependent, beneficiary, claimant or other person shall be permitted to review any communication between the Advisee and any of its or his Advisors with respect to whom a privilege applies, unless mandated by a court order.

Section 20. Waivers

A term, condition, or provision of the Program shall not be waived unless the purported waiver is in writing signed by the Plan Administrator. A written waiver shall operate only as the specific term, condition, or provision waived and shall remain in effect only for the period specifically stated in the waiver.

Section 21. Providing Notice to Administrator

No notice, election or communication in connection with the Program that you, a Dependent or other person makes or submits will be effective unless duly executed and filed with the appropriate Administrator (including any of its representatives, agents, or delegates) in the form and manner required by the appropriate Administrator.

Section 22. Funding

The benefits provided under the Program are paid directly to providers and/or Participants from the Company's general assets. To the extent that Participants make contributions to premium costs, participant contributions will be used in their entirety to pay benefits prior to using the Company contributions.

Any assets of the Program may be used at the discretion of the Plan Administrator to pay for any benefits provided under the Program, as the Program is amended from time to time, as well as to pay for any

expenses of the Program. Such expenses may include, and are not limited to, consulting fees, actuarial fees, attorneys' fees, third-party administrator fees and other administrative expenses.

Section 23. Uncashed Checks

Benefit payments made by check that is not cashed or deposited, or by electronic funds transfer or other payment method that is not deposited (for example, because the Participant cannot be located), shall remain in the Company's general assets, and shall not escheat to the state. Unless the Plan Administrator determines in its sole discretion that there are extenuating circumstances, the Program's obligation to pay the benefit shall be extinguished if the check is not cashed or deposited, or electronic funds transfer or other payment is not deposited, within one (1) year after the date of the check, transfer, or other payment method. Any benefits to which the check, electronic funds transfer, or other payment method relates will be forfeited.

The Administrator is entitled to rely on the last address provided to the Program by you, and has no obligation to search for or ascertain your whereabouts.

Section 24. Payment of Unauthorized Benefits

If the Plan Administrator determines that benefits in excess of the amount authorized under the Program were provided to, or on behalf of, a Participant, Dependent, or other person (for example, because benefits were paid even though the individual did not meet the Program eligibility requirements):

- The amount of any other benefit paid to, or on behalf of, such Participant, Dependent or other person under the Program may be reduced by the amount of the excess payment.
- The Plan Administrator may require the Participant, Dependent or other person to reimburse the Program for benefits paid, including reasonable interest.
- If the person does not reimburse the Program by the date determined by the Plan Administrator, the Plan Administrator may cancel coverage for the Participant and/or Dependent and refuse re-enrollment.
- The Plan Administrator may elect recoupment or reimbursement, regardless of whether the person who received the excess benefit was a Participant or Dependent entitled to receive benefits under the Program, and regardless of whether the excess benefit was provided by reason of the Plan Administrator's error or by reason of false misleading, or inaccurate information furnished by the Participant or Dependent or any other person.

For excess payments to, or on behalf of, Dependents, the Plan Administrator may elect to pursue any of the above remedies directly against the Retiree or his estate.

Section 25. Claims Procedures

A "Claim" is a written request by a claimant for Plan benefits or an eligibility determination. There are two kinds of Claims:

- A *Claim for Plan Benefits* is a Claim requesting that the applicable Plan pay for benefits covered under the applicable Plan.
- A *Claim for an Eligibility Determination* is a Claim requesting a determination as to whether a claimant is eligible to be a Participant under the applicable Plan or the Program or as to the amount a claimant must contribute towards the cost of coverage.

You must follow the Claims Procedures for either Claims for Plan Benefits or Claims for an Eligibility Determination, whichever applies to your situation. See your Description of Benefits in Part II of this

SPD for procedures governing Claims for Plan Benefits. See [Section 25.4 How to File a Claim](#) for an Eligibility Determination, below, for procedures for Claims for an Eligibility Determination.

25.1 Deadline to File a Claim

All Claims must be filed in the same calendar year that the service was rendered, or during the following calendar year. The deadline for filing a Claim that you were overcharged for coverage is the end of the year following the year for which the premium was paid. Failure to file a Claim within the deadline will result in denial of the Claim.

25.2 Who Will Decide Whether to Approve or Deny My Claim?

The Program has more than one Claims Administrator. The initial determination is made by the Initial Claims Reviewer. If you appeal an initial determination, the appellate decision is made by the Appeals Administrator. Each of the Claims Administrators is a named fiduciary of the Program with respect to the types of Claims that it processes.

- *Claims for Plan Benefits.* The Initial Claims Reviewer and the Appeals Administrator is Aetna.
- *Claims for an Eligibility Determination.* The Initial Claims Reviewer is the North America Health and Welfare Plans Leader, and the Appeals Administrators are the Associate Director of North America Benefits and the Global Benefits Director.

Authority of Claims Administrators and Your Rights Under ERISA

The Claims Administrators have the full, complete, and final discretion to interpret the provisions of the Program and to make findings of fact in order to carry out their respective decision-making responsibilities. However, the Claims Administrators' determinations are subject to the interpretation of the Plan Document made by the Plan Administrator. Interpretations and Claims decisions by the Claims Administrators are final and binding on Participants (except to the extent the Initial Claims Reviewer is subject to review by the Appeals Administrator). You may file a civil action against the Program under Section 502 of the Employee Retirement Income Security Act (ERISA) in federal court, provided you complete the claims procedures described in this [Section 25. Claims Procedures](#) (or the Claims Administrator fails to timely respond to your claim). If the Claims Administrators' determinations are challenged in court, they shall not be overturned unless proven to be arbitrary and capricious. Please see [Section 17.1 Litigation](#) for the deadline for filing a lawsuit.

25.3 An Authorized Representative May Act on Your Behalf

An authorized representative may submit a Claim on behalf of a Participant. The Program will recognize a person as a Participant's "authorized representative" if such person submits a notarized writing signed by the Participant stating that the authorized representative is authorized to act on behalf of such Participant. A court order stating that a person is authorized to submit Claims on behalf of a Participant also will be recognized by the Program. As described in the Description of Benefits (in Part II of this SPD), in the case of an Urgent Care Claim, a dental care professional with knowledge of your condition also may act as your authorized representative.

25.4 How to File a Claim for an Eligibility Determination

Information Required In Order to Be a Claim

The following information must be submitted in writing to the Initial Claims Reviewer in order to be a "Claim:"

- The name of the Retiree, and the name of the person (Retiree, Dependent, Survivor, as applicable) who is requesting the eligibility determination,

- The benefit plan for which the eligibility determination is being requested (Morton Retiree Dental Program),
- If the eligibility determination is being requested for the Retiree's dependent:
 - a description of the relationship of the dependent to the Retiree e Retiree (e.g., Spouse, Dependent Child, etc.) , and
 - documentation of such relationship (e.g., marriage certificate, birth certificate, etc.)

Claims for an Eligibility Determinations must be sent to:

North America Health and Welfare Plans Leader
The Dow Chemical Company
Employee Development Center
Midland, Michigan 48674

Attention: Initial Claims Reviewer for the Morton Retiree Dental Program (Claim for Eligibility Determination)

Initial Determination

If you submit a Claim for an Eligibility Determination, the Initial Claims Reviewer will review your Claim and notify you of its decision to approve or deny your Claim. Such notification will be provided to you in writing within a reasonable period, not to exceed 90 days of the date you submitted your Claim; except that under special circumstances, the Initial Claims Reviewer can have up to an additional 90 days to provide you such written notification. If the Initial Claims Reviewer needs such an extension, it will notify you prior to the expiration of the initial 90-day period, state the reason why such an extension is needed and state when it will make its determination.

If the Initial Claims Reviewer denies the Claim, the written notification of the Claims decision will state the reason(s) why the Claim was denied and refer to the pertinent Program provision(s). If the Claim was denied because you did not file a complete Claim or because the Initial Claims Reviewer needed additional material or information, the Claims decision will state that as the reason for denying the Claim and will explain why such information was necessary. The decision will also describe the appeals procedures (also described below).

Appealing the Initial Determination:

If the Initial Claims Reviewer has denied your Claim, you may appeal the decision. If you appeal the Initial Claims Reviewer's decision, you must do so in writing within 60 days of receipt of the Initial Claims Reviewer's determination, assuming that there are no extenuating circumstances, as determined by the Appeals Administrator. Your written appeal must include the following information:

- the name of the Retiree and the name of the person (Retiree, Dependent, Survivor, as applicable) who is appealing the Administrator's decision,
- the name of the Plan (Morton Retiree Dental Program)
- reference to the initial determination, and
- an explanation of the reason why you are appealing the initial determination.

Appeals of Claims for an Eligibility Determination should be sent to:

Associate Director of North America Benefits or Global Benefits Director
The Dow Chemical Company
Employee Development Center
Midland, Michigan 48674

Attention: Appeals Administrator for the Morton Retiree Dental Program (Claim for Eligibility Determination)

You may submit any additional information to the Appeals Administrator when you submit your request for appeal. You also may request that the Appeals Administrator provide you copies of documents, records and other information that is relevant to your Claim, as determined by the Appeals Administrator in its sole discretion. Your request must be in writing. Such information will be provided at no cost to you.

After the Appeals Administrator receives your written request to appeal the initial determination, the Appeals Administrator will review your Claim. Deference will not be given to the initial adverse decision, and the Appeals Administrator will look at the Claim anew. The Appeals Administrator is not the same person as, or a subordinate who reports to, the person who made the initial decision to deny the Claim. The Appeals Administrator will notify you in writing of its final decision. Such notification will be provided within a reasonable period, not to exceed 60 days of the written request for appellate review, except that under special circumstances, the Appeals Administrator can have up to an additional 60 days to provide written notification of the final decision. If the Appeals Administrator needs such an extension, it will notify you prior to the expiration of the initial 60-day period, state the reason why such an extension is needed, and indicate when it will make its determination. If an extension is needed because the Appeals Administrator determines that it does not have sufficient information to make a decision on the Claim, it will describe any additional material or information necessary to submit to the Program, and provide you with the deadline for submitting such information.

The period for deciding your Claim may, in the Appeals Administrator's sole discretion, be tolled until the date you respond to a request for information. If you do not provide the information by the deadline, the Appeals Administrator will decide the Claim without the additional information.

The Appeals Administrator will notify you in writing of its decision. If your Claim is denied, in full or part, the written notification of the decision will state (1) the reason(s) for the denial; (2) refer to the specific provisions in the Plan Document on which the denial is based; (3) that you are entitled to receive upon request and free of charge reasonable access to and copies of all the documents, records, and other information relevant to your claim (as determined by the Claims Administrator under applicable federal regulations); and (4) that you have a right to bring a civil action under section 502 of ERISA.

Section 26. Tax Consequences of Coverage and Benefits

Neither the Company, nor any Participating Employer or any other affiliate, makes any assertion or warranty about (1) health care services and supplies that a Participant obtains, or obtains reimbursement for, as Plan benefits; or (2) the tax treatment of Program coverage or benefits. You or your Dependents shall bear an taxes on Program benefits, regardless of whether taxes are withheld or withholding is required.

Section 27. No Assignment of Benefits

In general, except to the extent required by law or otherwise provided in the Plan Document or SPD, benefits payable under the Program shall not be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, or change of any kind. You may direct that benefits payable to you be paid instead to a provider or to a person who has agreed to pay for any benefits payable under the Program. In addition, the Plan may use or disclose "summary health information" to the Plan Sponsor¹ for obtaining premium bids or modifying, amending or terminating the group health plan, which summarizes the claims history, claims expense or type of claims experienced by individuals for whom a Plan Sponsor has provided health benefits under a group health plan; and from which identifying information has been deleted in accordance with HIPAA.

Section 1. Notice of PHI Uses and Disclosures

Required PHI Uses and Disclosures

Upon your request, the Plan is required to give you access to certain PHI in order to inspect and copy it. Use and disclosure of your PHI may be required by the Secretary of the Department of Health and Human Services to investigate or determine the Plan's compliance with the privacy regulations.

¹ The Plan Sponsor is The Dow Chemical Company for the following plans: The Dow Chemical Company Medical Care Program, The Dow Chemical Company Retiree Medical Care Program, The Dow Chemical Company Dental Assistance Program, The Dow Chemical Company Retirement Health Care Assistance Plan, The Dow Chemical Company Health Care Reimbursement Account, The Dow Chemical Company Executive Physical Examination Program, and the Rohm and Haas Company Health and Welfare Plan. The Plan Sponsor is Union Carbide Corporation for the following plans: Union Carbide Corporation Retiree Medical Care Program and the Union Carbide Corporation Insured Health Program.

Uses and Disclosures to Carry Out Treatment, Payment and Health Care Operations

The Plan and its business associates will use PHI without your consent, authorization or opportunity to agree or object to carry out treatment, payment and health care operations. The Plan also will disclose PHI to the applicable Plan Sponsor for purposes related to treatment, payment and health care operations. As of April 14, 2003, the Plan Sponsors have amended their plan documents to protect your PHI as required by federal law.

Treatment is the provision, coordination or management of health care and related services. It also includes, but is not limited to, consultations and referrals between one or more of your providers. For example, The Dow Chemical Company Dental Assistance Program may disclose to a treating orthodontist the name of your treating dentist so that the orthodontist may ask for your dental X-rays from the treating dentist.

Payment includes, but is not limited to, actions to make coverage determinations and payment (including billing, claims management, subrogation, plan reimbursement, reviews for medical necessity and appropriateness of care and utilization review and preauthorizations).

For example, The Dow Chemical Company Medical Care Program may tell a doctor whether you are eligible for coverage or what percentage of the bill will be paid by the Plan.

Health care operations include, but are not limited to, quality assessment and improvement, reviewing competence or qualifications of health care professionals, underwriting, premium rating and other insurance activities relating to creating or renewing insurance contracts. It also includes disease management, case management, conducting or arranging for medical review, legal services and auditing functions including fraud and abuse compliance programs, business planning and development, business management and general administrative activities.

For example, The Dow Chemical Company Medical Care Program may use information

about your claims to refer you to a disease management program, project future benefit costs or audit the accuracy of its claims processing functions.

Uses and Disclosures that Require Your Written Authorization

Your written authorization generally will be obtained before any of the plans listed in the footnote² will use or disclose psychotherapy notes about you from your psychotherapist. Psychotherapy notes are separately filed notes about your conversations with your mental health professional during a counseling session. They do not include summary information about your mental health treatment. The Plan may use and disclose such notes when needed by the Plan to defend against litigation filed by you.

Uses and Disclosures Where You Have an Opportunity to Agree or Disagree Prior to the Use or Release Disclosure of your PHI to family members, other relatives and your close personal friends is allowed if:

- the information is directly relevant to the family or friend's involvement with your care or payment for that care; and
- you have either agreed to the disclosure, have been given an opportunity to object and have not objected, or the Plan reasonably infers from the circumstances that you would not object to the disclosure.
- Your written authorization is required before your PHI may be disclosed for most marketing purposes or disclosures that constitute a sale of PHI.
- You may revoke your authorization in writing for these uses and disclosures at any time, but the revocation will not affect any disclosure made prior to the receipt of the revocation.

² The Dow Chemical Company Medical Care Program, The Dow Chemical Company Retiree Medical Care Program, Union Carbide Corporation Retiree Medical Care Program.

Uses and Disclosures for which Consent, Authorization or Opportunity to Object is Not Required

Use and disclosure of your PHI is allowed without your consent, authorization or request under the following circumstances:

- To a business associate (e.g., a contractor) retained to perform services on behalf of the Plan when the business associate has agreed to safeguard your PHI.
- When required by law.
- When permitted for purposes of public health activities, included when necessary to report product defects, to permit product recalls and to conduct post-marketing surveillance. PHI may also be used or disclosed if you have been exposed to a communicable disease or are at risk of spreading a disease or condition, if authorized by law.
- When authorized by law to report information about abuse, neglect or domestic violence to public authorities if there exists a reasonable belief that you may be the victim of abuse, neglect or domestic violence. In such case, the Plan will promptly inform you that such a disclosure has been or will be made unless that notice would cause a risk of serious harm. For the purpose of reporting child abuse or neglect, it is not necessary to inform the minor that such a disclosure has been or will be made. Disclosure may generally be made to the minor's parents or other representatives, although there may be circumstances under federal or state law when the parents or other representatives may not be given access to the minor's PHI.
- The Plan may disclose your PHI to a public health oversight agency for oversight activities authorized by law. This includes uses or disclosures in civil, administrative or criminal investigations; inspections; licensure or disciplinary actions (for example, to investigate complaints against providers); and other activities necessary for appropriate oversight of government benefit programs (for example, to investigate Medicare or Medicaid fraud).
- The Plan may disclose your PHI when required for judicial or administrative proceedings. For example, your PHI may be disclosed in response to a subpoena or discovery request provided certain conditions are met. One of those conditions is that satisfactory assurances must be given to the Plan that the requesting party has made a good faith attempt to provide written notice to you, and the notice provided sufficient information about the proceeding to permit you to raise an objection and no objections were raised or were resolved in favor of disclosure by the court or tribunal.
- When required for law enforcement purposes (for example, to report certain types of wounds).
- For law enforcement purposes, including for the purpose of identifying or locating a suspect, fugitive, material witness or missing person. Also, when disclosing information about an individual who is or is suspected to be a victim of a crime but only if the individual agrees to the disclosure or the covered entity is unable to obtain the individual's agreement because of emergency circumstances. Furthermore, the law enforcement official must represent that the information is not intended to be used against the individual, the immediate law enforcement activity would be materially and adversely affected by waiting to obtain the individual's agreement and disclosure is in the best interest of the individual as determined by the exercise of the Plan's best judgment
- When required to be given to a coroner or medical examiner for the purpose of identifying a deceased person, determining a cause of death or other duties as authorized by law. Also, disclosure is permitted to funeral directors, consistent with applicable law, as necessary to carry out their duties with respect to the decedent.
- The Plan may use or disclose PHI for research, subject to conditions.

- When consistent with the applicable law and good standards of ethical conduct if the Plan, in good faith, believes the use or disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public and the disclosure is to a person reasonably able to prevent or lessen the threat, including the target of the threat.
- When authorized by and to the extent necessary to comply with workers' compensation or other similar programs established by law.

Except as otherwise indicated in this notice, uses and disclosures will be made only with your written authorization subject to your right to revoke such authorization.

Prohibited Uses and Disclosures

The Plan may not use or disclose PHI that is genetic information for underwriting purposes.

Section 2. Rights of Individuals

Right to Request Restrictions on PHI Uses and Disclosures

You may request the Plan to restrict uses and disclosures of your PHI to carry out treatment, payment or health care operations, or to restrict uses and disclosures to family members, relatives, friends or other persons identified by you who are involved in your care or payment for your care. However, the Plan is not required to agree to your request.

The Plan will accommodate reasonable requests to receive communications of PHI by alternative means or at alternative locations if you indicate that disclosure by the regular means could pose a danger to you and you specify a reasonable alternative address or method of contract.

You or your personal representative will be required to complete a form to request restrictions on uses and disclosures of your PHI. Requests to restrict uses and disclosures of your PHI should be made to the following person: Privacy Official; The Dow Chemical Company Health Plans; Employee Development Center, Midland, MI 48674.

You have the right to receive notification following a breach of your unsecured PHI.

Right to Inspect and Copy PHI

You have a right to inspect and obtain a copy of your PHI contained in a "designated record set," for as long as the Plan maintains the PHI. You have a right to obtain a copy of your PHI in electronic format where it is maintained in one or more designated record sets electronically. You have the right to request that the Plan transmit a copy of PHI to another individual at your request.

"Protected Health Information" (PHI) includes all individually identifiable health information transmitted or maintained by the Plan, regardless of form.

"Designated Record Set" includes the medical records and billing records about individuals maintained by or for a covered health care provider; enrollment, payment, billing, claims adjudication and case or medical management record systems maintained by or for a health plan; or other information used in whole or in part by or for the covered entity to make decisions about individuals. Information used for quality control or peer review analyses and not used to make decisions about individuals is not in the designated record set.

The requested information will be provided within 30 days if the information is maintained on site or within 60 days if the information is maintained offsite. A single 30-day extension is allowed if the Plan is unable to comply with the deadline.

You or your personal representative will be required to complete a form to request access to the PHI in your designated record set. Requests for access to PHI should be made to the following person: Privacy Official; The Dow Chemical Company Health Plans; Employee Development Center, Midland, MI 48674.

If access is denied, you or your personal representative will be provided with a written denial setting forth the basis for the denial, a description of how you may exercise those review rights and a description of how you may complain to the Secretary of the U.S. Department of Health and Human Services.

Right to Request Amendment of PHI

You have the right to request the Plan to amend your PHI or a record about you in a designated record set for as long as the PHI is maintained in the designated record set.

You or your personal representative will be required to complete a form to request an amendment of PHI in a designated record set. Requests for amendment of PHI in a designated record set should be made to the following person: Privacy Official; The Dow Chemical Company Health Plans; Employee Development Center, Midland, MI 48674.

The Plan has 60 days after the request is made to act on the request. A single 30-day extension is allowed if the Plan is unable to comply with the deadline. If the request is denied in whole or in part, the Plan must provide you with a written denial that explains the basis for the denial. You or your personal representative may then submit a written statement disagreeing with the denial and have that statement included with any future disclosures of your PHI. If the amendment is accepted, the Plan will inform you on a timely basis and obtain your agreement to notify the relevant persons with whom the amendment needs to be shared.

Right to Receive an Accounting of PHI Disclosures

At your request, the Plan will also provide you with an accounting of disclosures by the Plan of your PHI during the six years prior to the date of your request. However, such accounting need not include PHI disclosures made: (1) to carry out treatment, payment or health care operations; (2) to individuals about their own PHI; (3) pursuant to an individual's authorization; (4) as part of a limited data set, or (5) prior to the compliance date.

If the accounting cannot be provided within 60 days, an additional 30 days is allowed if the individual is given a written statement of the reasons for the delay and the date by which the accounting will be provided.

If you request more than one accounting within a 12-month period, the Plan may charge a reasonable, cost-based fee for each subsequent

accounting. The Plan will inform you in advance of the fee and provide you with an opportunity to withdraw or modify the request for a subsequent accounting in order to avoid or reduce the fee.

You or your personal representative will be required to complete a form to request an accounting of PHI disclosures. Requests for an accounting of PHI disclosures should be made to the following person: Privacy Official; The Dow Chemical Company Health Plans; Employee Development Center, Midland, MI 48674.

A Note About Personal Representatives

You may exercise your rights through a personal representative. A personal representative is a person legally authorized to make health care decisions on your behalf. Your personal representative will be required to produce evidence of his/her authority to act on your behalf before that person will be given access to your PHI or allowed to take any action for you. Proof of such authority may take one of the following forms:

- a power of attorney for health care purposes, notarized by a notary public;
