Re: Buy America Requirements

Dear Customer;

This letter is in response to your request regarding manufacturing information of certain Dow Silicones products.

This letter shall serve to certify that, as of the date hereof, the following product supplied by Dow Silicones Corporation is manufactured in the United States and meet(s) the FTA's Buy America requirements of 49 U.S.C. § 5323(j), and the applicable regulations in 49 C.F.R. Part 661 as 100% of the raw materials are sourced from within the United States.

- DOWSIL™ 736 Heat Resistant Sealant

Dow reserves the right to review and modify any methods, materials or locations of its manufacturing at any time, and nothing in this letter shall be construed to the contrary.

Should you have any additional questions, please contact Customer Service at americas.prod.ehs@dow.com.

Sincerely,

Brad Dawson
Sales Director
Commercial North America
Dow Silicones Corporation
A wholly owned subsidiary of The Dow Chemical Company

NOTICE: No freedom from infringement of any patent owned by Dow or others is to be inferred. Because use conditions and applicable laws may differ from one location to another and may change with time, Customer is responsible for determining whether products and the information in this document are appropriate for Customer's use and for ensuring that Customer's workplace and disposal practices are in compliance with applicable laws and other government enactments. The product shown in this literature may not be available for sale and/or available in all geographies where Dow is represented. The claims made may not have been approved for use in all countries. Dow assumes no obligation or liability for the information in this document. References to "Dow" or the "Company" mean the Dow legal entity selling the products to Customer unless otherwise expressly noted.
