**The European End of-Life Vehicle (ELV) Directive (2000/53/EC) for the Dow Brands DOWSIL™, XIAMETER™, SYLGARD™, SYL-OFF™, SILASTIC™**

Dow is a sub-tier supplier to the automotive industry. We understand that the European ELV Directive requires Tier 1 automotive suppliers and automotive OEMs to obtain the necessary information from the supply chain in order to comply with Articles 4 and 8 of the Directive. To assist our customers and their customers with their compliance, we provide the following information:

Dow does not intentionally formulate the Product(s) of the Dow Brands indicated above<sup>1</sup> to contain lead, cadmium, chromium (VI), and/or mercury, nor is/are the Product(s) intentionally formulated using hazardous ingredients at the legally declarable level required by the Directive with the exception of those disclosed in section 2 or 3 of the European Safety Data Sheet\*.

For additional information, please see our website [www.dow.com](http://www.dow.com) or contact us:

Dow website: [Customer Support | Dow Inc.](#)

Sincerely,

Dow Supplying Legal Entity

\*Our Safety Data Sheets are available for many countries and languages at [www.dow.com](http://www.dow.com)

<sup>1</sup>Dow branded Products indicated above and commercially available on the date of this letter

NOTE: The contract for supply of the customer's Dow Product(s)<sup>1</sup> remains between the customer and the supplying Dow legal entity or Dow distributor as appropriate. Responsibility for the information provided hereunder rests solely with that supplying entity. This letter does not represent a commitment to supply any Dow Product.

DISCLAIMER: This information is considered accurate and reliable as of the date appearing above and is presented in good faith. Because use conditions and applicable laws may differ from one location to another and may change with time, recipient is responsible for determining whether the information in this document is appropriate for recipient's use. Since Dow has no control over how this information may be ultimately used, all liability is expressly disclaimed and Dow assumes no obligation or liability therefor. No warranty, express or implied, is given nor is freedom from any patent owned by Dow or others to be inferred.
