

Seek Together™

Chemical Equivalency Certificate

This certificate is provided to assure the purchaser of the following product's quality and equivalency to the legacy product listed below for the purpose of use at the purchaser's location.

CELLOSIZETM Texture E4M Hydroxypropyl Methylcellulose

is equivalent to:

METHOCEL™ E4M Hydroxypropyl Methylcellulose

The name change of the product is a reflection of rebranding and repositioning within our cellulosic derivatives portfolio, but there are no changes to processes or test methods at this time. In the event of any changes to the foregoing, we will follow our standard change management and notification process.

We remind you that customers must determine the suitability of our products for use in their applications and formulations. This information should not be used in substitution for customer tests to ensure that the products are safe, effective and fully satisfactory for the intended end-use.

Sincerely,

Fabienne Bizeray
Global Strategic Marketing Director Skin Care
DOW France SAS
