To Whom It May Concern:

Subject: Ozone Depleting Chemicals Declaration for the Dow branded Products DOWSIL™, XIAMETER™, SYLGARD™, SYL-OFF™ and SILASTIC™

Dear Customer,

In response to our customers’ inquiries about the presence of Ozone Depleting Chemicals in our products, this letter applies to all Dow branded Products indicated above.*

We do not intentionally use Ozone Depleting Substances as currently defined by the current European Regulation (EC) No 1005/2009, or Class I Ozone Depleting Substances as defined by the United States 40 CFR Part 82, in any of our manufacturing processes or product formulations in our global operations for the Products indicated above.

Sincerely,

The Dow Chemical Company (for itself and on behalf of its subsidiaries)

*Dow branded Products commercially available on the date of this letter.

NOTE: The contract for supply of the customer’s Dow Product(s)* remains between the customer and the supplying Dow legal entity or Dow distributor as appropriate. Responsibility for the information provided hereunder rests solely with that supplying entity. This letter does not represent a commitment to supply any Dow Product.

DISCLAIMER: This information is considered accurate and reliable as of the date appearing above and is presented in good faith. Because use conditions and applicable laws may differ from one location to another and may change with time. Recipient is responsible for determining whether the information in this document is appropriate for Recipient’s use. Since Dow has no control over how this information may be ultimately used, all liability is expressly disclaimed and Dow assumes no obligation or liability therefore. No warranty, express or implied, is given nor is freedom from any patent owned by Dow or others to be inferred.
