Attention: Dow Silicones Corporation Customer

Re: **DOWSIL™ Construction Primer P**

Thank you for your inquiry regarding the above referenced products and its LEED information.

The following information is provided in response to your inquiry:

- DOWSIL™ Construction Primer P is manufactured in Germany.
- Extraction for its raw material are completed at various locations.
- DOWSIL™ Construction Primer P contains 0% pre- & post-consumer recycled materials.
- Rapidly renewable content is not applicable.
- DOWSIL™ Construction Primer P doesn't contain Urea Formaldehyde.
- VOC content less than 745 g/L as mixed (based on SCAQMD rule 1168), LEED VOC limit 775 g/L for porous surface and 250 g/L for non-porous surface (IEQc4.1).

On behalf of Dow, we appreciate your business and your commitment to silicone technology. If you have any further questions, please feel free to contact us.

Sincerely,

Dow Silicones Corporation
